FRANCES F. SANDE

**KEYS TO TRUTHS
UNRECOGNIZED**

There is a song in which there is a declaration "I AM MY OWN GRANDPA," and the singer brings out that through tangles of marriage he has become his own grandparent. This is on the physical level and the possibility can be understood. Some people follow their family tree back for centuries and again this on the physical plane. Things really get interesting to those wise enough to rise above the physical and begin searching their past on a mental basis. When "all eyes see" they will SEE "the truth shall make ye free." The whole TRUTH cannot be realized until it is understood there is a mental relationship of souls as well as a physical, and that the process of changing forms, which is called DEATH, is only an evolutionary thing of the soul in its growth toward final graduation from the earth plane.

A thorough understanding of GOD'S laws pertaining to reincarnation for the purpose of soul growth, are requisite before the secrets of past AGES can possibly be revealed to the human

consciousness. This is speaking of the physical part of the scheme, but the puzzle can never be fully assembled without the study of GOD'S laws concerning higher planes commonly spoken of as THE HIERARCHY. This fast MENTAL AGE demands of the sincere thinker to delve into deeper things for individual soul attainment and understanding.

Duke University is doing notable work in study of the "reach" of the human mind. Into such study will always come the investigation of the mysterious "sixth" sense, or what is generally known as "extra-sensory perception," which cannot be limited to the ordinary understanding of the "sixth" sense. Whatever research is made no absolute understanding can be established without consideration of reincarnation for soul growth, the manifesting effects of which are called "extra-sensory perception." No mathematician would think of tossing aside mathematical rules in working out a problem just because the rules did not make sense to the mortal consciousness, nor because his creed did not understand the rules. Neither could the student seeking answers for the mysteries of the mind afford to ignore any evidence of reincarnation just because of creed prejudices. The NEW AGE demands an understanding of things the past did not credit. Anyone who fails to search all possi-

bilities which might lead to broadened understandings will soon find himself behind the times. Time and tide recognize no limitations and individuals with mental prejudices cannot hope to get anywhere, if like the foolish ostrich they bury their heads in the sands of ignorance.

What really intelligent person could truthfully make the statement that any one cult, creed or wisdom teaching could contain all of everything concerning GOD, and refuse to look at anything not included within that teaching? A little meditation on the greatness of GOD and HIS unlimited wisdom, would make any intelligent person realize that not all of GOD'S wisdom could be contained in all the books ever written or ever to be written. GOD is progressive and as man progresses so is GOD progressed by reason of HIS reflection's growth.

"TO EACH HAS BEEN GIVEN" whatever is suitable for the consciousness at the time, whether it is individual or group consciousness. "As the waters seek their levels, so do kindred human souls," and each will seek for instructions which satisfies his level of soul growth. For those who are fortunate enough to have some memory of their past lives, or who are in contact with more developed souls who have access to AKASHIC records, it is interesting to note that individuals investigated passed through

many stages of religious worship in past lives. If in this life the person has not been able to settle down to following some particular creed, it is because he has not found the level of instruction which will progress his soul.

There are many who shop around from one creed to another and search all the cults as well, and are still searching. Theosophists call these "seekers." The Bible promises "seek and ye shall find, knock and it shall be opened unto you." At this level of consciousness the student is ready for the MASTER to "appear." "Behold HE stands at the door (of consciousness) and knocks." At a time of sincere prayer and meditation HE "appears." This "appearing" is done in various manners. Some actually raise the consciousness and physical vibratory rate to a point where the ASTRAL manifestation of THE MASTER "appears." Others attain to a mental state whereby they actually HEAR "the still small voice" and from that time on progress very well spiritually even if they are in a position where church attendance is impossible. Anyone will agree that any HOUSE OF GOD should help to create conditions for the best of receptions. One personality will find one church better than another to help his attainment of the necessary peaceful consciousness. Sometimes his choice is a form of memory from past lives. Some claim

to HEAR better when they "enter into the closet" of their consciousness and go straight to GOD wherever it is convenient for them to be at the moment. This calls for a constant state of meditative consciousness in order to accomplish Divine Attunement any time. One cannot hope to attain the necessary consciousness unless he is willing to "sell all that ye have" in the way of willful human thinking, fancies or desires.

Anyone who is CALLED will either have earned the privilege in a past life or brought about the right conditions in this life to make it possible. The greatest hinderance to many is ignorance of the facts pertaining to methods of attaining the necessary consciousness. The one CALLED should thank GOD for the symbol of progress which is expressed in the evidence of the CALL, and above all be silent about it. Many have made the mistake of talking too much about the "experience" and became so busy speaking that they failed to HEAR any more instructions. The writer found a missionary working and praying to move some displaced persons from Italy to Canada. THE MASTER spoke HIS first words to her saying, "Buy a farm and pay back a thousand fold." She became so busy trying to raise the money for the farm that she failed to be quiet enough

to HEAR how to go about it. When the writer found her she was grieving because some racketeer cleverly put himself in a position of treasurer for the funds and had skipped with the money. If she had been listening for more instructions she would have been warned of the deception before it was too late. Not realizing that others could HEAR, this girl suffered the illusion that she had a greater work IN HIS NAME than others. Some close to her had been HEARING for many years and had not told her so. The writer explained that THE MASTER will follow up a direction with instructions for accomplishment if necessary.

The common mistake of those who are CALLED is the feeling of "more holy than thou" and starting a cheap round of talking about "my experiences." The CALLED must then be cut off from HEARING for his own protection against what others would think of him. The wise continue to listen and are given many beautiful instructions preparing them to be CHOSEN. After being instructed from one to seven years it is possible to be CHOSEN and sent on a mission. Many have been HEARING at the mental level only. Because there is not an audible "voice" they declare they cannot HEAR and are not actually consciousness they are having the "experience" anyway. Some speak of this as

"The Christ Consciousness." Those who HEAR mentally will find their activities IN HIS NAME are being directed by "ideas" THE MASTER is impressing upon their minds. A person functioning at this level will frequently notice that there is a tightening of the forehead and sometimes even the whole top of the head. This is called "the touch of the MASTER'S hand." When this occurs it is the same as a "call" to listen. The student should then find a quiet place to listen to what the MASTER has to say. It is only by being obedient that he can be protected and guided in the fullest sense by THE WORD OF GOD. Many more "ears attuned to listening" are needed if GOD is going to manifest more of HIS wisdom through human channels, the "hands and feet of the flesh" HE is dependent upon for HIS expression on this plane.

Man was given dominion and this means that as a son of GOD it is his duty to exercise GOD'S "just" dominion in everything he does or suffer the automatic consequences which are called "karma." When GOD made the world he made rules to govern it and when man breaks these he suffers until he awakens to correcting his mistakes. Because he was given free WILL his actions are deliberate and the results are automatic. GOD gave instructions through the vari-

ous religious leaders of the past and the BIBLE is intended to be the general guide to right doing for Christians. Good books which serve quite as well have been given to other peoples to guide them. Those who fail to obey Divine Law suffer either here or hereafter until the debts are paid. Some whose errors bring about intolerable results try to find escape in suicide and awaken in another dimension to suffer the hells of realization of their mistakes which still have to be corrected. Because the pre-determined life span has not been completed these poor souls find no suitable condition in the next plane and are forced to take another physical body and start to make amends. Because they come back very soon there will be something of a memory which will carry enough weight in the consciousness that the same mistake will not be made another time. With this lesson learned the soul goes on to others brought on by the faulty exercising of the free will. Life after life this goes on until all lessons are learned which pertain to life on this plane. The soul is then considered ready for graduation from "the wheel of lives" on this planet. No longer is it subject to the traditional story of Peter who decides if it is ready to pass through the gate to Heaven. The personality is considered wise enough to make his own decisions about his future. Some

decide to come back to earth to help others attain. Their "desire" causes them to become ministers, teachers and helpers in various fields of human progress. These are called "angels" in common religious understandings. Others choose to go on to things not of this earth. Some "Angels" attained to this high initiation long ages ago. These are called ARCH-ANGELS and all through earthly history, since the time of Adam, there have been more and more "angels" in the making.

The Bible states that "many will rise to meet HIM when HE comes." Some have interpreted this to mean that they will actually "rise" into the skies, and have been working to develop power for levitation believing that by so doing they will accomplish "ascension." It is possible to "rise" in the air and even float around to prove that it can be done, but using the human will is not proving anything of a spiritual nature, in fact most of the time exactly the opposite. It is understood that ordinary "show" stunts of this kind draw their power from a negative source. A pure soul which has attained to "the works that I do" of which JESUS spoke, would be levitated without any effort on the part of the human will. He would become so completely one with the will of GOD that the experience would become automatic. A pure soul

in a state of ecstasy might be expected to attain to "an ascension." It is the writer's desire to convey the idea that real "ascension" is a consciousness which has arisen to "touch the hem of HIS garment."

The consciousness of "ascension" has nothing to do with the experience some have had of astral travel, or "floating" around, in which case the personality has slipped from the physical body into the astral and for some reason is conscious of the fact. This does not prove that he is a great person, for everybody slips into the astral body at night when asleep, but few remember it. Usually the personality who becomes conscious of the transition in sleep, or otherwise, has had something disrupt natural physical functioning which has raised the physical and mental vibratory rate until some of the vital centers known as chakras have been opened. Since this frequently happens to the inebriate one can readily understand that it is no sign of holiness as many have declared who had such an experience.

Being "different" from others can be on the negative side if the personality has poor morals or gets in a mental state where "wizards peep and mutter" to the consciousness. The Bible warns us of this condition and too many fail to get the full interpretation of that passage.

There are entities on other planes who confuse the minds of those whose poor morals, or ignorance lowers their consciousness to a danger point where this is possible.

Anyone living the pure life necessary for perfect reception from higher planes need not fear that his reception will be negative. He is automatically protected by the positive forces he draws to him because of his righteousness. The minute one becomes critical of his superiors, or haughty because of his ability to HEAR, he opens his back door to the wrong forces and shuts the front door to positive receptivity. No longer can the Angels of righteousness claim "charge" over him and they are forced to pull the curtain between that student and themselves. Where the criticism is springing only from ignorance, the Cosmic Teacher will protect the student by closing his ears to HEARING from any source above the physical plane. Where the case is very stubborn and the student falls from grace into the "pit," the karmic laws automatically take over and he suffers the physical loss of that sense, sometimes even becoming hard-of-hearing. This loss of an abused sense is quite true of any of the other senses as well and often betrays the type of thinking of that individual. GOD'S law of retribution as a way for the ROD to present itself to "spare

the child," comes into play whether or not the individual is conscious of the fact. "HE chastises those whom HE loves" until they grow in grace necessary for graduation into a better condition beyond this physical plane.

Since many investigations have proven that all disease and sufferings come from ignorance of Divine Laws, we can easily realize the great need for more instructions in order that human woes might come to an end. "An ounce of prevention (wisdom) is worth a pound of cure (healing). This could be accomplished wisely by giving instructions concerning the effects of erroneous thinking in the present life and lives to come, as well as the karmic debts of past lives.

The Biblical declaration that the sins of the parents would be visited upon the children for generations was understood by the scribe who wrote those truths. Many have felt that it is unjust of GOD to inflict children with their parent's and grandparent's sins. But in the light of reincarnation, where it is understood a person can actually be his own grandparent, it is only natural that he should sometime be expected to pay his debts if he escaped before the death of forms when those debts were incurred.

It has been "given" to the writer to change bodies to prove the fact of reincarnation. The

facial changes shown in the pictures in this book represent records of past incarnations kept in what is called the book of lives of the soul. Her Teachers perform the changes to prove that nothing is lost in Divine Mind and to show how GOD projects televised records of past lives stripping anything men have accomplished. The day will come when mankind will accept "HIS ways" as not altogether "past finding out."

The more Eastern looking pictures were taken in a photographic booth at Woolworths in Denver, Colorado, during the summer of 1957. Those wearing the same suit were taken by ANTONS in Washington, D. C. The author had been challenged by some who did not believe the pictures were all of herself. Smarting under their unbelief she walked into ANTONS and asked to have her picture taken. Anton had never seen her before and to him this was only another customer. As he adjusted his camera she noticed him become very excited. She asked him to tell her the cause of this excitement. He did not reply but kept shooting until he had twenty-four pictures before she could get him to stop. Until he would tell her the cause of his excitement she did not feel she had any reason to try to explain. Finally he gasped, "Lady I see about a thousand faces and I am trying to get a record of them." This gave her a chance to ask him if he had ever thought of reincarna-

tion. He was reluctant to say what he thought and only seemed anxious to record what he was SEEING. She asked him if he could name any of the faces. He named someone whose picture is well-known in early history of this country. "I must get that one," he declared—and he did. The unfortunate thing is that the clothing did not have the high vibratory rate possessed by the body. The writer tried to make up for this in some pictures by changing the clothing or covering the hair. The pictures with the white background are passport pictures taken within a few weeks by different photographers. Others vary by several years but all are of the same physical body and this will be shown to anyone who would not criticize.

These are things which ALL EYES will SEE some day and should be explained as soon as possible in order to prevent so much weeping and gnashing of teeth in misunderstanding when suddenly ALL EYES SEE. Our protectors, the MEN FROM OUTER space desire very much that all people understand what to expect. They realize what could happen when vibrations from misunderstandings get out of hand. For this reason they plan to give the necessary instruction to meet the emergencies which could otherwise occur. Any who can be made to understand will be very useful in helping others who have never been exposed to these facts. There

is no greater service anyone pledged to CHRIST could render at this time than to become well informed on this subject. To be wise is far ahead of remaining pledged to HIM in a passive state of ignorance. For those who are prepared there will be no surprise when they SEE thru the veil of matter. Without the proper understanding the experience could be unbalancing, but a surprise seems to be a necessity to make people want to understand.

The study of reincarnation proves that there are soul groups into which individuals are born repeatedly, one time being the parent and another the child or some other relative. Physical rebirth is of the "first resurrection," the "second resurrection" being the mental attainment when the soul is ready for the "ascension" above the necessity of being reborn physically. His experience then is a re-birth which is of the soul and has nothing to do with the physical sense of the word. This is really the time of graduation from this earth. It is when the mortal sheds the crystal of physical form and is given the choice of remaining in bodies of less dense matter on planes even above the astral. His reward is called "the Lute of the planes," which power JESUS spoke of as "the works

that I do and even greater." He has earned the right to the experience commonly known as HEAVEN, the highest planes of which only "angels" are privileged to inhabit. Some call these "old" souls because they have been in the process of soul evolution longer than others. Their superiors are the ARCH-ANGELS. There are forty-nine graduates who pledged to SERVE on earth at HIS command whenever the CHRIST work demanded hands and feet of flesh. The author was amused to "HEAR" HIM call these "The forty-niners" in giving a lesson about them. One-third of these were deceived into playing the role for LUCIFER. All have attained to exercising of Cosmic Powers of some degree. Adding the evil powers they generated to the great power of Lucifer, they worked their way into all cults, creeds and organizations for ages and the earth has suffered much from these ARGUS EYES. They also became philosophers, teachers and leaders in many walks of life from the time of their attainment. Their teacher was LUCIFER, "the sharpest Spirit in all Heaven," and he made sure they did many good and progressive works in order to chalk up good karmas to off-set anything departing from Divine Principle which they were in the habit of doing to force people under the Devil's control. The law of karma determines the reward and they kept

within the bounds by doing many good works. This will explain the question so many have concerning "why" GOD let these great evils go on for so long. GOD made the laws to govern men and turned them loose with "free will" to "evolute along" as a clever child was heard to express it. The good was weighed against the evil and the results were considered progressive if the balance did not tip the wrong way. The Bible declares that things would get so much out of balance in this AGE that GOD would call a halt. This has been in the process of happening even if men are not conscious of the fact.

There have been so many levels of interpretations of the scriptures, and so many of the anti-christ servants tampering with them for so long, that it will certainly take HIS COMING to put things straight again. Any of the "Confucius" similitudes, Bible parables, or Solomon-like wisdoms intended to leave the student with verbal emblems of symbolic representations, usually can be interpreted on three or more different planes of thought. This is known to be the reason for the misunderstandings between people of various levels of mental attainment.

WISDOM passages "recorded" by "old" souls serving only as the channels of receptivity from higher planes, perhaps were not understood on

all levels of thinking even by the recorder of the "messages." Messages dedicated for this manner come from a meditative consciousness which makes it possible for the WISDOM of GOD to pour through a human form. The informations given in the author's books are not the product of a human mind, but are recorded from ABOVE. "I of myself do nothing" as the MASTER JESUS said. The writer has never claimed to be responsible for the myriads of so-called phenomenal things which happen to her when she is serving IN HIS NAME. She considers herself only as a pledged channel through which HE is OPENING THE WAYS with ideas no earthly ears have ever heard before. As long as the mortal man makes no claims to the wonders performed through him he is eligible to a very great spiritual growth which has no bounds or limitations.

No one can leap into the position of a Spiritual Server just by making a pledge, giving a sum of money, or merely fasting and praying. All of these things help prove attitudes but the real secret is in selfless service wherever help is needed, which is the proof of a purified soul. The "CALL" comes as an automatic reward when the soul is ready. The writer has known many who declared they were ready, but the test requiring relinquishing of human

will or pride showed quickly that they were not ready to remain constant and invariable. One who is being schooled to be CHOSEN is given many tests of consciousness. Failures to respond aimably show up the weaknesses to the personality and he is given the chance to grow out of his limitations. This is a personal Armageddon which any who have experienced it can testify will purify a soul more rapidly than all the religious fastings, penitence and confessions possible. This mental form of purification is the best way to attain. "Many will be called, but few will be chosen." There are few willing to "sell all they have" in the way of personality faults and weaknesses and these count more than selling material goods and chattels of so little worth by spiritual count. No mortal can accomplish this ASCENSION for another, but contact with SPACE MEN who teach on the "inner" as well as the "outer" is of infinite value.

The work will all be undenominational and no student will be allowed to become so involved as to neglect work within his Church.

SPACE MASTERS put church work first and encourage church-going and frequenting of Holy Places because of the spiritual fortitude gained by such habits. Few mortals are able to reach spiritual heights without the help of some church. Since each will seek a level fitting his own consciousness and it should be left up to the individual to determine his own choice. The fact that the Bible speaks of "SEVEN CHURCHES" is proof enough that there are seven paths leading to the same goal. Esoteric understandings are that GOD gave HIS WISDOM to us through the "SEVEN SPIRITS" or the SEVEN ARCH-ANGELS whom the Theosophists call MASTERS, who work on different RAYS, or give teachings from different angels to balance the soul. Akashic records show that in the evolution of the soul everyone at some time falls under each of the Great Teachers (ANGELS) who perfect him from a different angle, and that in so doing he is guided through his association in many lives by the various CHURCHES, or types of instructions. No matter how many creeds, or branches of creeds, all could be grouped under seven heads if their forms of teachings were "summed" where grouping would

be possible. All churches are intended to be houses of GOD whether they are functioning that way or not. The many creeds have stemmed out of ignorance of the reason for a "CALL," and the personality who brought about a break perhaps had been CALLED by the NEGATIVE MASTER, Lucifer, who many times transferred great powers to the deceived in order that he may hold his attention. Many times much phenomena was encouraged to deceive, and egos were fed with declarations of the importance of the CALL. Many deceived great souls have SERVED the DEVIL, and were the "blind" who "led the blinded" into breaking from the MOTHER CHURCHES. This many times CALLED the GREAT ARCH-ANGELS into incarnation to try to prevent disaster. An instance of this is MICHAEL, GABRIEL and RAPHAEL who took physical forms to help their beloved Church in Rome. They were known as MICHAEL-ANGELO and HIS helper FRANCISCO, and RAPHAEL the artist. THEY left esoteric truths in stone and canvas to prove the TRUTH of the "first BOOK" and the final destruction of the "second BOOK." The writer hopes someday to direct a pilgrimage of representatives from all religions, cults or interested organizations, so she can prove the existence of these records, as well as how they are related

to many others the same ANGELS made in THEIR many incarnations as the world's leaders in every field.

Lucifer always made certain to follow and crucify. The Bible promised relief in the LAST AGE and it has been coming even if unrecognized by the average man of the world. "If it were not for the GREAT OF THE EARTH there would be no life in that day" is spoken of this AGE when again THE GREAT have taken new physical forms to protect humanity. With the many deceptions used to haze their followers who have taken incarnation at this time to help THEM, it has been necessary to help many to find themselves in their new forms. The following is an example of a CALL the writer had to help in this manner. It is recorded as "given," hinting of OPENING OF THE WAYS for which she has been chosen.

PILOT ME AND MINE AND ALL

A PATH OF THORNS AND
LIES ALL BLENDING
FOR YOU TO DO, THE WAYWARD EARTH
CHILD BENDING
WHOSE RIGHTS "ABOVE" ARE MANY,
LIGHTS "BELOW" ARE FEW

 THINK NOT LOVE'S STRUGGLES TO-
 WARD THIS ONE IN VAIN
 BUT THINK OF HEAVENLY JOY AND
 RITES TO GAIN.

This CALL to help concerned a SERVER who had been a very valuable helper in many lives, therefore was a special target for the anti-christ workers seeking higher initiates who had reincarnated, and posing every possible deception in order to cause them to fail their pledges to do the CHRIST work. To pull down one of these was more of a limitation to the Divine Cause than to deceive thousands of initiates of lesser powers.

Another time when "called" to help others the "message" came as follows:

HEARKEN

WHEN THE WORLD IS AS FULL OF THE
 WISDOM OF GOD
 AS THE WATERS THAT MAKE UP THE
 SEA
 NO MAN NEED TEACH A SCRIPTURE TO

 LEST SHAKEN AND SHATTERED AND

The Cosmic Teachers who guide the writer the greater part of the time were called "THE

FATHERS" by JESUS when HE spoke of circumcison being given by "The Fathers" and not by Moses. This was speaking of the spiritual sense of circumcison not of the physical administered by Moses' law. Christians call these teachers MICHAEL and GABRIEL. Theosophists and others of Ancient Wisdom understandings call them MASTERS KUTHUMI and HILARION. The latter names are used with the prefixed title "Master," because in bodies by those names They made the ASCENSION to the initiation which made possible their functioning as GODS, or instruments through which GOD-power flowed, equal to the condition which JESUS spoke of as "the works that I do and even greater." JESUS could have done greater if HE had dared, but people were not ready for more at the time. It would seem that we are to expect "A little book that John saw" which will no doubt be given by those who function as ONE.

The following information comes from the TWINS who wish THEIR united position better understood. Please understand the writer serves only as a recorder and THOSE on Higher Planes give the "messages:"

Footnote:

(In the study of symbolism it has been determined that it is VIRGIN MARY who is shown as the LION who wields a sword, the handle of the sword forming a cross. In Iran the symbol is on their money showing the SUN (SON) shining over the back of the LION (MOTHER). Built into the Great Pyramid are two lions lying down together. It is really THEY (Thotmes and Thoth) who built the pyramid for the purpose of protecting the POSITIVE teachings from devastators determined to destroy them. Because of HIS meekness and tolerance the TWIN lion later became symbolized as a LAMB and this will explain the Biblical prophecy of "THE LAMB AND LION SHALL LIE DOWN TOGETHER." This animates the AGE when THEY shall be brought together in peace after Satan is put into perdition. For ages THEY have been kept apart by evil forces. WHITE DOVE, the sixteen-year-old Mother who produced what the Indians considered an illegitimate CHILD, died of shock which the incarnate Devil of that time forced upon her. Akashic records show that HIAWATHA was an incarnation of Jesus when HE went to "sheep of other pastures ye know not of." A history of HIS life will prove that "by their works ye shall know them." WHITE DOVE took another incarnation very soon and grew up to work with HIM as HIS wife, but Devil forces came against HER again

30

while HIAWATHA was on a hunting trip and she was taken away from HIM the second time in one life.)

The writer was "led" to find many records of other lives where the CHRIST and HIS MOTHER worked together as Kings and Queens or other great leaders. Sometimes THEIR role was more simple and accomplishments not so great, because of the limitations imposed by LUCIFER whose earthly manifestation was ever the serpent of evil killing those of WISDOM. Sometimes CHRIST remained ABOVE to direct HIS MOTHER'S work in manifestation. If HE wished to "appear" on the physical plane HE would be SEEN manifesting HIS reflection through HER body as if inhabiting it with HER. There are Wise Men today who have been privileged to witness this mystery transpire through the body of the incarnate MOTHER of this AGE. Until it is the experience of another it is almost impossible to understand what the writer is trying to say.

The TWINS of the ZODIAC symbolize CHRIST and HIS MOTHER. AKASHIC records show that in some lives THEY were actually TWINS. The writer found it interesting to study ancient records in many countries where the above statement proved to be FACTS. There

31

are records of a VIRGIN and CHILD in many nations long before the time when the forms THEY inhabited were called MARY and JESUS. Just at this moment the recorder has been informed "not enough" and it has been made known that she will presently record more explanatory poetry for your better understanding:

BIRDS OF PREY AND DOVES FROM
HEAVEN
WITH THEM ALL HE SHARED THE
LEAVEN
FRUIT OF VINE AND BREAD FOR EARTH
THEIRS WAS ALWAYS OF COSMIC
WORTH
NOW AGAIN THESE STARS FROM
HEAVEN
COME WITH THE FINAL FINISH LEAVEN
AGES OF DARKNESS THEN OF LIGHT
LUCIFER CULT-CREEDS MADE A TRITE
ONCE MORE TWINS TO PUT THEM
RIGHT
NOW WORK AGAIN WITH ALL THEIR
MIGHT
HIERARCHIAL STARS FROM HEAVEN
ARE DRIVEN
TO SWEEP THE EARTH OF HATE AND
WAR
WITH PEACE AND LOVE AND LIFE ARE
GIVEN
NEW HEAVEN TO MAKE, NEW EARTH
TO SCORE

Footnote:

(THOT or THOTH is understood to have been an incarnation of VIRGIN MARY, and THOTMES is shown as CHRIST whose thoughts were projected to the more material part of HIS SOUL who carries out HIS IDEAS. Thus as HE was the "IDEA" of GOD, SHE became HIS IDEA. For this reason some ancient records call Her "MOTHER IDEAN. Another interpretation is that SHE is the MOTHER of the "IDEA" of GOD. The interpretation could be carried further to show it had something to do with the IDE of the Moslems and the name of the State, IDAHO.

There was the HERMES and THE CHILD, HERMES being called "The Thrice Greatest," or "Thrice Born." This is speaking of HIS reincarnations when each time HE was THE Greatest. HERMES and CHILD is a good example of the intertwining in the lives of THE TWINS. Sometimes ONE of THEM would come to produce the body for THE CHILD and then leave the old form and become THE CHILD. In this way THEY could both inhabit the same form. The awakening of the "oneness" in another life was expressed by Zeus who had been worshipping HIS FATHER OSIRIS. When he realized that HIS FATHER had been born into the SON, he expressed his surprise by crying out "I, myself am OSIRIS!" At times THEY remained as sep-

35

arate individuals. Before THEY began functioning in this manner there is an allegory about ZEUS who became so impetuous with the woman who was producing THE CHILD that he killed her and "sewed up THE CHILD" in his thigh to incubate it himself. This is somewhat equal in esoteric understandings to the story of Kabbala Unveiled where MACROPROPUS (CHRIST) chose MICROPROPUS (MARY) instead of BAIMA (Eve who became too evil for him to withstand). The Bible laments the FALL of Eve by asking, "My faithful One, my faithful one, why hast thou fallen?" Before the FALL Eve served by producing the bodies for THE CHILD (the "second CHILD"). HE was ever the FIRST SON OF GOD. After the choosing of MICROPROPUS (VIRGIN MARY) for "HIS HABITATION" as stated in the KABALLA UNVEILED by MacGregor Mathers, THEY functioned the birth arrangements for each other, or had some member of the immediate family produce bodies for THEM.) Because THEIR bodies had to be extremely pure none but the highest of initiates could be trusted with the building of new earthly habitations and bring about the best of results. The Ancient Wisdoms teach that nothing good will come to the world until this "LAMB AND LION LIE DOWN TOGETHER" in the NEW AGE.

More explanatory poetry is now to be recorded, opening the ways for better understanding:

THE VIRGIN BIRTH

AS MORNING AND EVENING STARS ARE
ONE
SO ARE THE RISING AND SETTING SUN
TWO KINDS OF VIRGIN BIRTH KNOWN
THROUGH THE AGES
ONE WAS FOR HIM AND THE OTHER
FOR SAGES
SOME WERE BY PROMISE, THESE FOR
THE SEVEN
ARRANGEMENTS FOR HIM EVER MADE
RIGHT FROM HEAVEN
THIS WAS FOR HIM AND ONLY HIS OWN
SECRETS OF THIS ONE BY OTHERS NOT
KNOWN
WHETHER CHILDREN OF PROMISE OR
ONE OF GOD'S OWN
ALL WERE ONE WITH HIM, SEATS ON
HIS THRONE
ANGELS FROM HEAVEN OR GOD'S ONLY
SON
MATTERED NOT WHICH, ALL WERE AS
ONE
RAYS OF GOD, EACH PART OF THE SUN
THOUGH BATTERED AND TATTER-
TORN WEARY WERE THEY
EACH SHONE HIS LIGHT IN GOD'S
CHOSEN WAY
EACH WENT TO MARTYDOM, EACH PUT

37

AWAY
SELDOM MEN LISTENED TO WHAT THEY
COULD SAY
WHETHER CRUCIFIED CHRISTIANS OR
HEATHENS TOGETHER
ALL OF THEM FORMS TOOK LIKENED IN
FEATHER
TO HELP IN MAN'S "SEEING," TO HELP
IN HIS "SIGHT"
TO LIGHTEN HIS BURDENS, TO SHARE
IN HIS LIGHT
GREAT ANGEL FORMS OF HIS HOLY
MIGHT
ALL GOD-SHINING LAMPS IN THE NIGHT
LIHTS OF EARTH'S DARKNESS, KNIGHTS
OF HIS LIGHT
BRINGING THE TRUTH AGAIN INTO
THEIR SIGHT
YET SEEING THEY SAW NOT, NOR HEAR-
ING THEY HEARD
THAT COMING THEIR'S WAS GOD'S
HOLY WORD
EVER CRUCIFIED, TORMENTED, BEATEN
AND TRIED
THEY CAME AT HIS CALL, AGAIN THEIR
HEARTS CRIED
BECKONED NOW HAVE COME TO STAND
BY HIS SIDE
TO TAKE WORLDLY REBUFFS AND SUFF-
ER EARTH'S PRIDE.

Footnote:

(In the study of symbolism, without which no man can really understand the Bible, we find the soul known as VIRGIN MARY is called "THE MORNING STAR" which is said to be the same as the EVENING STAR, or in other words the other half of HIS soul. The same is true of the RISING SUN and the SETTING SUN which mean the same thing. It will be noted in the Bible in Revelations 2:28 that to HIM will be given THE MORNING STAR. This is speaking of THE TWINS when THEY "lie down together."

While the writer worked in NEW YORK trying to establish fortitude enough that provision could be made for A PLACE TO LAY HIS HEAD, some of the Wise Men of today waited and watched on top of the Empire State building in New York City. Each time they went to watch, pray and "listen," messages were given to help their souls progress toward the necessary perfection to be worthy of being present to receive HIM. Confusions among them were being caused by deceptive "messages" and evil influences which were disrupting organization. Prayers had gone up for relief and the returns were as follows:

39

"MY PEACE I GIVE UNTO THEE"

To each HE has given HIS Peace
Seek causes within withholding release
Silence the senses, give place to HIS LOVE
That HE who is waiting may COME from
 ABOVE
Quiet the senses, seek peace for your souls
Pull down the fences barring the goals
Peace yours for the finding, Love yours to re-
 ceive
Of this I'm reminding, your search to relieve
A peace beyond understanding
A privilege rightfully thine
To each of you HE is handing
From a heart that is wholly Divine
Enter in and drink this DIVINE CUP
Receive and share it in Love
A great gift for mine who bear up
Coming straight from the storehouse ABOVE
A peace that passeth all understanding
A power of GOD so mighty and true
At this hour now HE is handing
Helping to balance each of you
Peace for all beings HE is preparing
Truths to make free from pitfalls of past
Love and Peace all to be sharing
On earth peace, good will to men at last.

40

After a better understanding had been made
among those hoping to be made worthy, the fol-
lowing words were given:

PROGRESS

Fill with joy of a state of being
Develop a consciousness fully aware
Prepare readiness now for SEEING
An understanding ready to share
Removed are the doubts of fear weary
Of the entangling illusions of sin
Now readiness, struggling to hear
And a help for the righteous to win
The joy of a final understanding
A peace of Love that is DIVINE
HIS gift to each HE is handing
A dowery individually thine

The following was recorded by the writer at
another gathering on top of the Empire State
Building. It was understood that MICHAEL
and GABRIEL gave the instructions and the
words recorded were as follows:

ARISE!

Arise to the Highest Holiest
To Peace of the Kingdom's Above
Arise in the Truth of HIS BEING
And purified be filled with HIS LOVE

41

Arise in the strength of HIS BEING
Soar on mighty pinions of LOVE
Fend wings of Love's sight-seeing
Ascend Ye to be one with the ABOVE
Peace of the Highest Holiest MIND
Truth absorbed in the Sanctuary of LOVE
Through dedication in meekness inner peace
All great principles of THE ABOVE
 find
Goals of higher consciousness gaining
Balanced stability based on HIS LOVE
Securities of better understandings attaining
Seek Ye first to be one with the ABOVE

AWAKE

Awake, Awake Ye faithful called
To victory make all haste
Lest brethren "marked" be falled
And evil make them waste
Arise in haste, go in and make
Remission for all sin
No time is waste used for HIS sake
And help the right to win
Use not words in simple prattle
Do no deeds which work for gain
Go ye forth to righteous battle
Destroy fear and heal the pain

42

Help the souls who burdens suffer
Ease the spirits fearing war
Put to chase the wanton bluffer
Seal the peace, and love the more.

Another time while praying and "listening"
in the high tower above the busy City of New
York, a great tenderness fell upon all and the
following words were recorded:

SAINTS

Wrapped in silence of LOVE DIVINE
Ye sainted hearts so wholly MINE
Waft I to you LOVE'S tender Peace
To rest your souls and LOVE increase
Saints who earned their white robes wearing
Heavy crosses many sharing
Hearts united with one another
Each and all in Father-Mother

HE SHALL BE THINE

The pen of GOD with flaming ink aglow
Portends to tell LOVE'S gracious arrows bow
To meet the cause, to greet the way
That throngs may know what HE will say
The SON of GOD will come to earth
To sliver gold, great shadows fell
Of Spirit pure, A Cosmic Birth
To clear the way, the Truth to tell

43

For those who stand by in waiting
While prepared are the chariots above
Many steeds are in the gaiting
Wearing harnesses well rivoted in love

A joy of a peaceful understanding
A gratitude truly DIVINE
For those who stand by in waiting
Surely shall HE be thine

There were times when a doubting Thomas demanded explanations to bolster faith in the plan. This necessitated too much talking which was putting the plan out on the ethers making it possible for evil ones to catch up with the idea. This caused a failure which is described in another of the books by the same writer. An admonition of silence was given as follows.

SILENCE

Words are speech, but Love is action
Silence keep, no give to traction
No silence in a word Man-spoken
No man a peace can give its token
In silence one hears the HOLY WORD
Depths of which none earth has spoken
GOD'S silence let not by man be broken

Again a doubting mind in the group gave rise to the necessity of the following assurance.

44

Stand firm in conviction
These recordings are not fiction
But for the love of transition
Make known GOD'S position
Forthcoming from the "pit"
A great fruition, new thinking,
New mendations, new qualifications in melioration.

Some instructions had been given on the SEVEN RAYS as being the SEVEN higher Initiates known as MASTERS, GODS, ARCH-ANGELS or MEN FROM OUTER SPACE. The writer was USED as the physical Instructor at the time and THOSE ABOVE added this poem to bolster her words.

SEVEN GREAT SAINTS OF SEVEN AGES

SEVEN GREAT SAINTS, SEVEN SAGES
SEVEN GREAT SOULS OF SEVEN AGES
SEVEN MASTERS OF HIS WISDOM
HANDS WERE THEY TO WRITE THE
SCRIPTURES
MOUTHS WERE HIS TO SPEAK FOR GOD
FEET WERE PLEDGED TO WALK THE SOD
THEY THE "EYES" OF GOD THE SENDER
GUIDES LED BY HIS LOVE SO TENDER
SEVEN SPIRITS OF SEVEN CHURCHES
EAGLES ONE ON SEVEN PERCHES

45

ALL ONE TIME HIS GREAT ROBE
WEARING
MANY CROSSES HELPED HIM BEARING
EARTH-WARD WINGED THESE ANGELS
SENT
TEACHING SINNERS TO REPENT
SEVEN CANDLESTICKS, ONE REPROVED
NOW HAS HAD HIS LIGHT REMOVED
REPLACED, A FAITHFUL HAS HIS SEAT
EARNED BY SUFFERINGS AT HIS FEET
SEVEN OF WINE, THE SEVEN OF BREAD
ALL IN "ONE" AND HE THEIR HEAD
ARM AND HAND AND ALL FIVE FINGERS
NOW ON EARTH DESCENDED LINGERS
PREPARATIONS FOR HIM TO MAKE
WORKING FOR THEIR MASTER'S SAKE
ARCH-ANGELS OF HEAVENLY HOST
ALL IN "ONE" THE HOLY GHOST
SHINING GLORIES OF ONE MASTER
END FOREVER EARTH'S DISASTER
LAMPS AND OILS AND LIGHTS ALL
BLENDED
ARM AND HAMMER SICKLES BENDED
ALL WITH HIM THIS HEAVENLY HOST
ACCOMPANY FATHER-SON AND HOLY
GHOST
SIX HIS EYES AND SIX HIS WINGS
TO EARTH AGAIN THESE HEAVENLY
KINGS

46

THESE THE STARS WHO "FELL TO
EARTH"
TO HELP PREPARE HIS COSMIC BIRTH
ALL MORTAL MAN-FLESH HAVE TAKEN
THAT THE WORLD MIGHT RE-AWAKEN
TO SEE HIS WONDERS, HEAR HIS VOICE
PEACE ON EARTH THAT ALL REJOICE
AGAIN THE THRICE-BORN, SPIRIT
BIRTH
KING OF KINGS A COSMIC WORTH
GREAT HEARTS FILLED WITH LOVE'S
RHYMING RHYTHM
GOD'S HEALING POTIONS FROM
HEAVEN WERE GIVEN
STAR LIGHTS AND SUN LIGHT EVER
UNITED
EACH OF THEM BY HIM ONCE WERE
KNIGHTED
MOVING IN HARMONY DEALT
STRAIGHT FROM HEAVEN
REFLECTING HIM WITHIN ARE ALL OF
THE SEVEN
PEACE-POINTED ARROWS TIPPED WITH
GOD'S HOLY LOVE
ON EACH OF THEM ONCE DESCENDED
THE DOVE
PART OF GOD'S PLENTY, PIECES OF ALL
GREAT ARE THEIR GIFTS, GREAT OF
THE "CALL"

47

MIGHTY ARCH-ANGELS, CROWNS
BEARING GOLD
HEAVENLY MESSAGES SOON TO UNFOLD
PEACE ON EARTH THE WORLD IS
FINDING
AS THEIR SOULS WITH EARTH SOULS
BINDING
ATMOSPHERES OF LOVE'S ESSENCE PURE
BRING FROM HEAVEN EARTH'S FINAL
CURE

Footnote:

The poem almost stands without need of explanation in view of the explanations which have been made before concerning the SEVEN ARCH-ANGELS who guide humanity by taking physical bodies when necessary. Today THEY are called MEN FROM OUTER SPACE by those who do not understand. The books THE TRUTH ABOUT MEN FROM OUTER SPACE and A LIFE AND WORK WITH MEN FROM OUTER SPACE will help the understanding of what is going on in this ATOMIC AGE.
